

PLATEAU

LSX-A 41 SERIES

Audio Stand

The LSX-A SERIES is a premium furniture design, offering a fusion of style and functionality. Featuring PLATEAU's legendary high quality components, this Series provides the perfect complement to any room setting. The LSX-A model is a 41" high [1041mm] 4-shelf Audio model with a grill cloth door (that allows full use of remote controls) and side vents. Each shelf provides 3 adjustable height settings. Detailed features include extended back panels that offer ample ventilation and cable management, precision quality hinges, and quality steel door handles and feet. The series also offers 2 Video models - 62" [1579mm] and 42" [1070mm] wide. Available in a choice of luxurious natural wood veneers, Black Oak (B) and Walnut (W).

LSX-A 41 (Black Oak)

LSX-A 41 (Walnut)
