BALANCE SERIES

Available in Clear or Black Glass

THE BALANCE SERIES is perfect for those individuals who want to enter the fine world of quality audio/video furnishings. Visually pleasing, the BALANCE Series makes a real statement about every owner's commitment to a complete audio/video experience. The high grade smooth edged safety glass (the top shelf is 1/2" [12mm] thick) adds a magnificent aura to any room.

Available in a choice of luxurious natural wood veneers - Black Oak (B), Espresso (E), and Walnut (W). The Black Oak model is offered in Black Glass. The beauty and genius of the design allows for easy assembly (*approximately 5 minutes*).
