Audio/Video Stands

FL-3V 43

THE FL SERIES: This series of video stands offers style with high quality/premium components. The angled shelves are a high grade smooth safety black glass. Detailed FL-3V 43 features include quality tube construction - covered in virtually indestructible baked powder finish - and a back panel that provides cable management. Designed for the current generation of video monitors, this unit stands out from the rest.

DIMENSIONS

FL-3V 43	Height	Width	Depth	Shelf Sizes			Shelf Height (bottom)	Shelf Thickness	Shelf Capacity
